THIS AGREEMENT shall constitute the wages and working conditions for the employees of the Employer covered by this Agreement. It is constructed in such a manner that, except for Schedules "B" (Temporary Full-Time Employees and Auxiliary Employees) and "C" (Regular Part-Time Employees) or otherwise specifically excluded, it applies to Regular Full-Time Employees.

Schedule "B", Parts A and B, set out what Clauses in the Agreement and in what manner they apply to Auxiliary and Temporary Full-Time Employees with less than one (1) year of continuous work.

Schedule "B", Part C sets out what Clauses of the Agreement and in what manner they apply to Temporary Full-Time Employees with more than one (1) year of continuous work.

Schedule "B", Part D sets out how Clause 12 applies to Auxiliary and Temporary Full-Time Employees.

Schedule "C" sets out what Clauses of the Agreement and in what manner they apply to Regular Part-Time Employees.

1. DEFINITIONS

The following terms defined in this clause unless otherwise specifically provided herein, shall have for the purposes of this Agreement the meanings hereinafter specified and replace all existing definitions:

- (a) "Regular Full-Time Employee" means an employee who is employed on a full-time basis for 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for an indefinite period of time.
- (b) "Temporary Full-Time Employee" means an employee who is employed on a full-time basis for 35, 37½, 40 or such other number of weekly hours as is recognized in this Agreement as normal for a particular class of positions, for a definite and limited period of time (which may be extended or curtailed by circumstances which could not be foreseen at the time of hiring).

- (c) "Regular Part-Time Employee" means an employee who is employed on a regular part-time schedule of weekly hours which is a minimum of fifty percent (50%) of the recognized number of hours constituting full-time employment for a particular class of positions, for an indefinite period of time.
- (d) "Auxiliary Employee" means an employee other than an employee defined in clause 1(a), 1(b) and 1(c).
- (e) "Employment Pool" means those employees of the City of Vancouver and the Board of Parks and Recreation of the City of Vancouver, Ray-Cam Cooperative Association, and Britannia Community Services Centre Society for whom the Union is the Bargaining Authority
- (f) "Layoff" means the elimination of a regular position, or a reduction in the core hours of a regular position.

Wherever the singular or masculine is used in this Agreement the same shall be deemed to include the plural or the feminine wherever the context so requires.

2. TERM OF THE AGREEMENT

This Agreement shall be for a term of two (2) years with effect from 2023 January 01 to 2024 December 31, both dates inclusive. Should either party at any time within four (4) months immediately preceding the date of expiry of this Agreement by written notice require the other party to commence collective bargaining, or should the parties be deemed to have given notice under Section 46 of the Labour Relations Code, this Agreement shall continue in full force and effect, and neither party shall make any change or alter the terms of this Agreement until:

- (g) the Union lawfully strikes in accordance with the provisions of the Labour Relations Code; or
- (h) the Employer lawfully locks out in accordance with the provisions of the Labour Relations Code; or
- (i) the parties shall have concluded a renewal or revision of this Agreement or shall have entered into a new Collective Agreement;

whichever occurs first.

It is understood and agreed between the Employer and the Union that the operation of subsections (2) and (3) of Section 50 of the Labour Relations Code is hereby excluded from and shall not be applicable to this Agreement.

3. RIGHTS OF MANAGEMENT

Any rights of management which are not specifically mentioned in this Agreement and are not contrary to its intention shall continue in full force and effect for the duration of this contract, always provided that in the exercise of the aforementioned management rights there shall be no discrimination.

4. UNION SECURITY

All present employees who are now members of the Union shall remain members of the Union. All persons employed on or after 1978 December 21, shall become members of the Union by the pay period immediately following completion of thirty (30) calendar days of employment. All such employees shall remain members of the Union as a condition of employment provided that no employee shall be deprived of employment by reason of loss of membership in the Union for reasons other than failure to pay the regular Union dues that all other members of the Union are required to pay to the Union.

All employees covered by the Union Certificate of Bargaining Authority shall pay a monthly fee to the Union equal to the Union's monthly dues, such payment to be made by payroll deduction. This deduction shall become effective immediately upon commencement of employment. Deductions shall be made in respect of all subsequent months provided an employee works any part of the month.

5. REMUNERATION

5.1 Salary Schedule

- (a) The scale of remuneration set out in Schedule "A" shall apply during the term of this Agreement. Any changes in salary rates or the classifications as outlined in Schedule "A" shall not be put into effect until the Union Executive designate and the Bargaining Committee of the Union have been consulted.
- (b) Where anomalies as submitted during negotiations are not concluded to the satisfaction of both parties, then they will give consideration to the submitting of such anomalies to a Board of Arbitration as constituted under Clause 15.1(d).

5.2 Shift Premium

- (a) The employees in the classes listed below:
 - (1) The classes of work for which shift premium is paid under the Collective Agreement made between the Employer and the Union and dated as of 1979 January 01, and
 - (2) Any additional classes added by mutual written agreement

shall be paid a shift premium of one dollar (\$1.00) per hour for those regular hours worked before 8:00 a.m. or after 6:00 p.m.
- (b) If more than fifty percent (50%) of an employee's regular hour of work fall outside the period described in Clause 5.2(a), the shift premium shall be paid for all regular hours in the shift.
- (c) Shift premium shall not be paid for those hours worked at overtime rates, nor for standby.

5.3 Hiring Above First Step in the Salary Range

If a new employee is hired above the first step in the salary range and the Employer does not wish to adjust the salary for one or more present employees in the class who are in the same department (or in the same division in the case of the larger departments), the Employer will discuss the matter with the Union and, with the Union's consent, such adjustment or adjustments need not be made.

5.4 Effective Date for Individual Adjustments

Individual pay adjustments arising from periodic increments, reclassifications, re-evaluations and promotions (but not for acting in a higher capacity) are to commence at the beginning of the bi-weekly pay period the first day of which is nearest the calendar date of the pay adjustment. This clause is not intended to interfere with the provisions of Clause 6.

Where a reclassification results in an increase to the pay grade, and where an incumbent is below Step 5 of the pay grade, the increment date shall remain unchanged.

5.5 Derivation of Bi-weekly and Monthly Rates

The hourly rates set forth in Schedule "A" shall be the basis for application of any general salary increases. The formula for converting the hourly rates to bi-weekly and monthly rates is as follows:

$$\text{hourly rate} \times \text{bi-weekly hours} = \text{bi-weekly rate (taken to 2 decimal places)}$$

$$\frac{\text{bi-weekly rate} \times 26.089}{12} = \text{monthly rate (taken to the nearest dollar)}$$

5.6 Premium Pay for Fluency in a Second Language

Employees in positions which the Employer has designated as requiring the use of a second language, including sign language, shall be paid one (1) Pay Grade in addition to the classified rate for the position except where the class includes a requirement for more than one (1) language.

6. PAY FOR ACTING SENIOR CAPACITY

(a) Full Acting Pay

On every occasion that an employee is temporarily required to accept the responsibilities and carry out the core duties of a senior position covered by this Agreement, the employee shall be paid for every day that the duties of the senior position are carried out at the minimum rate in the pay range for such

senior position. However, where the salary received in the employee's own position is equal to, or exceeds the minimum of the senior position, the next higher rate in the pay range of the senior position shall be paid.

(b) Partial Acting Pay

Where an employee is temporarily required to accept a portion, but not all, of the core duties and responsibilities of a senior position, the employee shall be paid two (2) pay steps above their rate of pay provided this does not result in a higher rate of pay than would have been paid for full acting. In such cases, the employee would be entitled to a rate of pay equivalent to full acting pay.

(c) Pay for Partial Acting Assignments Exceeding Six Months

An employee who has been in a partial acting capacity for a period of six (6) months and whose assignment continues shall have their rate of pay adjusted to reflect the full acting rate for the position for the balance of the assignment and may be assigned any additional duties and responsibilities associated with the position.

(d) Appointments of employees to a level of higher responsibility must be authorized in writing by the Head of the Department.

7. TRANSPORTATION ALLOWANCES

Transportation for positions requiring the employee to travel on the Employer's business will be paid in the form of a transit bus fare or mileage allowance or use of an Employer's car as determined by the Employer.

If an employee is authorized by their non-bargaining unit manager or designate to use an alternative form of transportation, such as a bicycle, they shall be entitled to compensation equivalent to transit fare.

8. OVERTIME, CALLOUT, STANDBY, MEAL BREAKS

8.1 Overtime

(a) Any employee who is required to work overtime shall at the time of working such overtime elect whether to be paid for it or receive compensating time off in lieu thereof.

(b) Employees shall be entitled to overtime compensation for all overtime worked:

(1) immediately following the employee's regular shift;

(2) immediately preceding the employee's regular shift consequent upon an oral or written notice given prior to the end of the employee's previous shift;

- (3) at any other time than at the times set forth in items (1) or (2) of this Clause 8.1(b) consequent upon an oral or written notice given prior to the end of the employee's previous shift.
- (c) Employees who elect to be paid for overtime worked shall be paid for the performance of overtime work scheduled by the Employer under Clause 8.1(b) at the following overtime rates:
 - (1) time and one-half the regular rate of pay for the first two (2) hours of overtime worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
 - (2) double the regular rate of pay for all overtime in excess of the first two (2) hours thereof worked immediately preceding or immediately following an employee's regular shift on any regular working day of the employee;
 - (3) double the regular rate of pay for all overtime worked at any other time than at the times set forth in items (1) or (2) of this Clause 8.1(c). Employees shall be paid a minimum of one and one-half (1½) hours at double time for overtime worked pursuant to this paragraph (c)(3).
- (d) An employee who elects to receive compensating time off in lieu of being paid for overtime shall be credited with compensating time off equivalent to the number of hours for which the employee would have been paid for the overtime so worked at the rate or rates of pay in effect at the time such overtime was worked. (Such overtime shall be calculated in the manner set forth in Clauses 8.1(b) and 8.1(c).) An employee shall not take any credited compensating time off without first receiving the approval of the Department Head or the authorized representative of the Department Head, provided however that if all of the credited compensating time off has not been used by 31 August of the year next following the year in which the overtime was worked entitling the employee to such compensating time off, or prior to leaving the service of Britannia for any reason (whichever event occurs first), the employee shall be paid in cash for the overtime for which no compensation was received at the rate or rates of pay in effect at the time such overtime was worked.

8.2 Callout

- (a) An employee who is called back to work by the Employer at any time after the completion of the regular shift, except where such employee is required to work overtime as a consequence of an oral or written notice given prior to the end of the employee's previous shift as provided in Clause 8.1(b), shall be paid at the rate of double (2X) the employee's regular rate of pay for the time actually worked and in addition thereto the employee shall be paid one (1) hour at double (2X) the employee's regular rate of pay for travelling time to and from home. Except as otherwise provided in Clause 8.2(b) an employee who is called back to work under this Clause 8.2 shall be paid a minimum of three (3) hours (the minimum includes one (1) hour for travelling time) at double (2X) the employee's regular rate of pay.

- (b) If, after a callout, an additional call or calls are made upon the employee before the expiry of the minimum three (3) hour period or before arrival home, whichever shall last occur, the additional call or calls shall not qualify the employee for an additional minimum three (3) hour period or periods but the employee shall be paid at double (2X) the regular rate of pay for the time actually worked and an additional one (1) hour at double (2X) the regular rate of pay for travelling time to and from home. Where two (2) separate calls are completed by an employee within a three (3) hour period the employee shall be paid at double (2X) the regular rate of pay for a minimum of four (4) hours (the minimum includes two (2) hours for travelling time).
- (c) Notwithstanding the callout minimum, an employee who is at the work place prior to the commencement of the employee's regular shift and who is required to commence work prior to the commencement of the employee's regular shift, shall be paid in accordance with the overtime provisions for the actual time worked prior to the commencement of the employee's regular shift.

8.3 Standby

- (a) Employees who stand by for a call to work between the end of a normal day shift on the first day of work in a normal work week as defined in Clause 11.1 (excluding public holidays) and the commencement of a normal day shift on the last day of work in the normal work week shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of eight (8) hours that the employee stands by, in addition to any callout pay to which there may be entitlement under Clause 8.2.
- (b) Employees who stand by for a call to work at any time except employees who stand by for a call to work under Clause 8.3(a) shall be paid one (1) hour's pay at the employee's regular rate of pay for each period of six (6) hours that the employee stands by in addition to any callout pay to which there may be entitlement under Clause 8.2.
- (c) Where the period of time which an employee stands by under this Clause 8.3 exceeds a multiple of six (6) hours or eight (8) hours (as the case may be) the employee shall be paid one (1) hour's pay at the rate provided in this Clause 8.3 for the remainder of the standby time unless the remainder is not more than one-half ($\frac{1}{2}$) of the standby period of six (6) hours or eight (8) hours (as the case may be) in which event the amount payable to the employee for the remainder shall be one-half ($\frac{1}{2}$) hour's pay at the rate provided in this Clause 8.3.

8.4 Meal Breaks

- (a) Employees shall receive meal provisions as follows:

- (1) During Overtime

Upon completion of two (2) continuous hours of overtime work immediately preceding or immediately following an employee's regular shift, the

employee becomes entitled to a paid meal break of one half ($\frac{1}{2}$) hour which the Employer may permit to be started at any time within the two (2) hour period but, except in an emergency, no later than the end of two (2) hours

(2) During Call-Outs and Pre-scheduled Overtime

Upon completion of three and one-half ($3\frac{1}{2}$) continuous hours of call-out work or pre-scheduled overtime work, occurring at any other time than immediately preceding or immediately following an employee's regular shift, an employee becomes entitled to a paid meal break of a one-half ($\frac{1}{2}$) hour which the Employer may permit to be started at any time within the three and one-half ($3\frac{1}{2}$) hour period but, except in an emergency, no later than the end of the three and one-half ($3\frac{1}{2}$) hours

(3) During Overtime, Call-Outs and Pre-scheduled Overtime

Upon the completion of each succeeding three and one-half ($3\frac{1}{2}$) continuous hours of call-out work or overtime work, the employee shall be given another paid meal break of one-half ($\frac{1}{2}$) hour which, except in an emergency, shall be taken at the end of each three and one-half ($3\frac{1}{2}$) hour work period

(b) (1) Meal break compensation when overtime taken in pay

Employees entitled to a meal break under Clause 8.4(a)(1), (2), or (3), who take overtime earned in pay, shall receive one-half ($\frac{1}{2}$) hour at double (2X) the employee's regular rate of pay for the meal break.

(2) Meal break compensation when overtime taken in compensating time off

Employees entitled to a meal break under Clause 8.4(a)(1), (2), or (3), who take overtime earned in compensating time off (CTO), shall receive one-half ($\frac{1}{2}$) hour at double (2X) the employee's regular rate of pay in CTO.

When CTO for meal breaks is used, it shall be paid out in accordance with Clause 8.1(d).

- (c) Where by reason of an emergency it is not feasible to give a meal break at the designated time under this Clause 8.4(a)(1), (2), or (3), it shall be taken as soon as practicable and in addition the Employer shall be responsible for supplying a reasonable form of nourishment during the course of the work at such time as the employee would have been otherwise entitled to a paid meal break.

8.5 Overtime and Callout - Cost Recovery

Where an employee works overtime and/or is called out to deal with situations where the Employer is able to recover the overtime and/or callout costs from the Provincial Emergency Program, the Employer shall have the option of paying the employee for

such overtime and/or callout, or granting the employee compensating time off in lieu of being paid for such overtime and/or callout.

9. VACATIONS AND PUBLIC HOLIDAYS

9.1 Vacations

Paid annual vacation for all employees covered by this Agreement shall be allowed as follows:

- (a) In the first part calendar year of service, vacation will be granted on the basis of one-twelfth ($\frac{1}{12}$) of fifteen (15) working days for each month or portion of a month greater than one-half ($\frac{1}{2}$) worked by December 31st;
- (b) During the second (2nd) up to and including the seventh (7th) calendar year of service - fifteen (15) working days;
- (c) During the eighth (8th) up to and including the fifteenth (15th) calendar year of service - twenty (20) working days;
- (d) During the sixteenth (16th) up to and including the twenty-third (23rd) calendar year of service - twenty-five (25) working days; and
- (e) During the twenty-fourth (24th) and all subsequent calendar years of service - thirty (30) working days;
- (f) Employees who leave the service after completion of twelve (12) consecutive months of employment shall receive vacation for the calendar year in which termination occurs on the basis of one-twelfth ($\frac{1}{12}$) of their vacation entitlement for that year for each month or portion of a month greater than one-half ($\frac{1}{2}$) worked to the date of termination.

PROVIDED THAT

- (g) "calendar year" for the purposes of this Agreement shall mean the twelve-month period from January 1st to December 31st inclusive.
- (h) Upon hiring, an employee may be started at any level on the vacation schedule set out above at the discretion of the General Manager, Human Resources Services or designate. New employees who receive recognition for service under this provision will not receive recognition in other areas, such as but not limited to seniority or length of service and will not receive further recognition for future vacation entitlements as described in the Collective Agreement.
- (i) In all cases of terminations of service for any reason, adjustment will be made for any overpayment of annual vacation.
- (j) Employees leaving on superannuation, or upon leaving on reaching maximum

retirement age, are entitled to vacation as follows:

- if retiring prior to April 1st, they receive half of the usual annual vacation;
- if retiring April 1st or later, they receive the full annual vacation.

(k) An employee who is entitled to annual vacation of twenty-five (25) working days or more in any year:

- (1) shall take at least twenty (20) working days of such annual vacation during the year in which it is earned, and
- (2) may defer the taking of any part of such annual vacation in excess of twenty (20) working days; provided however that the maximum deferred vacation which an employee may accumulate at any one time pursuant to this Clause 9.1(k) shall be twenty (20) working days.

When an employee's deferred vacation bank reaches the maximum and the employee has unused vacation in a calendar year, the Employer may, at its discretion, pay out the unused vacation for that year.

At any time during that period, the employment of a probationary employee may be terminated if it can be satisfactorily shown that the employee is unsuitable for permanent employment.
- (c) A probationary employee's suitability for regular employment will be decided on the basis of factors such as:
 - (1) the quality of work
 - (2) conduct
 - (3) capacity to work harmoniously with others
 - (4) ability to meet production standards set by the Employer
- (d) If a probationary employee continues in the same position on a regular basis, holiday benefits and other perquisites referable to length of service shall be based on the accumulated service with the Employer and seniority shall be based on the time worked and/or paid in the bargaining unit both subject to Clause 12.1(a)(3).
- (e) A Regular Full-Time or Temporary Full-Time employee must successfully complete at least three (3) months of probationary period prior to being eligible to apply to a new position. Employees must exercise their rights under this Clause 11.5(b) not later than ten (10) days following the receipt of notice of layoff given pursuant to Clause 11.5(c).
- (c) Except in cases of inclement weather, strikes, lockouts or other circumstances beyond the control of the Employer, the Employer shall give to the Regular Full-Time and Regular Part-Time Employees concerned not less than ten (10) days' prior written notice of any layoff under this Clause. Such notices shall be given in writing either by delivering or mailing the same to the employee for whom it is intended. The date of receipt of any such notice shall be the date of delivery, if the notice is delivered, or if mailed, then the second business day next following the date of such mailing. - (d) No Regular Full-Time or Regular Part-Time Employee covered by this Agreement shall suffer loss of seniority due to enforced absence from employment resulting from compulsory layoff for a period not exceeding three (3) months or for any period of absence resulting from leave of absence officially granted, injury or sickness; provided however, that these provisions shall not apply to any such employee who has voluntarily resigned or has been discharged for cause.
- (e) Where the Employer intends a major layoff of Regular Full-Time or Regular Part-Time Employees it shall give to the Union and those employees who will be affected by the layoff at least sixty (60) calendar days' prior written notice thereof. For the purposes of this Clause 11.5(e) the words "major layoff" mean a ten percent (10%) or more reduction in the work force within the Employment Pool due to a reduction in the budget of the Employer. This Clause 11.5(e) does not apply if the reduction of the work force is due to some other body or employer taking over a department or part of the operation or business of the Employer.

- (f) The offer of temporary and/or auxiliary assignments to Regular Full- Time and Regular Part-Time Employees with seniority who have been laid off shall not be considered a recall. The Employer agrees that any reports or recommendations dealing with matters covered by this Agreement, including recommendations for changes in method of operation that may affect wage rates, work loads or reduction of employment, will be communicated to the Union at such interval before they are dealt with by the Employer as to afford the Union reasonable opportunity to consider them and make representations to the Employer concerning them and, further, that if employees are deprived of employment by any implementation of such change they shall receive priority consideration for other employment with the Employer.

12. SENIORITY

12.1 Acquisition and Calculation of Seniority

- (a) Employees shall acquire seniority as follows:
 - (1) Regular Full-Time Employees and Regular Part-Time Employees - upon completion of six (6) calendar months of continuous service. Notwithstanding the acquisition of seniority, those employees who are required to serve twelve (12) months' probation shall be required to complete their probation period before being confirmed as Regular Employees;
 - (2) Auxiliary and Temporary Full-Time Employees - upon completion of nine hundred and thirteen (913) hours, provided that such employees, while having seniority, shall be required to serve the normal probationary period upon acquiring Regular Full-Time or Regular Part-Time position.
 - (3) When calculating accumulated hours towards seniority, only straight time hours worked or paid since the last break in service of greater than one (1) year shall be included in the calculation; provided, however, that the accumulated hours worked or paid shall not exceed thirty-five (35) hours times the number of calendar weeks since the last break in service.

- (b) Upon becoming a Regular Full-Time employee and completing the probationary period, an employee's seniority date will be calculated by dividing the employee's total accumulated hours as per 12.1(a)(3) above by 7 hours per day and converting the number of days to a calendar seniority date. When counting the days backward, Public Holidays and weekends will not be counted.

Such seniority date shall not thereafter be adjusted for periods of layoff of less than twelve (12) months or for approved unpaid leave of absence periods of less than three (3) months. However, in the event that the Letter of Understanding regarding layoff and recall dated 1997 August 26 is cancelled the above referenced "twelve (12) months" shall be adjusted to read "six (6) months" for all periods of layoff subsequent to the cancellation.

- (c) Seniority for Regular Part-Time, Auxiliary and Temporary Full-Time Employees shall be on the basis of all straight time hours actually worked by and/or paid to an employee while in the bargaining unit subject to paragraph (a)(3) above.
- (d) Employees on Maternity and/or Parental Leave (including adoption) shall be credited with seniority upon their return to work based on the hours they would have worked but for the period of the Leave. A Regular Full-Time Employee shall not have their seniority date adjusted for an absence due to Maternity and/or Parental Leave. A Temporary Full-Time Employee shall receive credit until the scheduled end of their temporary assignment based on full time hours; the credit for the balance of the Leave shall be based on the average monthly hours worked in the twelve (12) month period preceding the leave. An Auxiliary Employee shall be credited with seniority during the period of Leave based on

the average monthly hours worked over the twelve (12) months preceding the Leave.

- (e) The Seniority List shall be updated and a copy provided to the Union once each year (approximately late January each year).

12.2 Application of Seniority

The application of Seniority is as provided for in the following provisions of the Collective Agreement: work week (Clause 11.1), bidding rights and filling vacancies (Clause 11.2), promotions, transfers and demotions (Clause 11.3), layoffs, bumping and recall (Clauses 11.5 and 11.6), vacation and overtime conflicts (Schedule "I"), and permanent reduction of the workforce (Letter of Understanding: Re: Layoff and Recall).

12.3 Loss of Seniority

- (a) Employees who have acquired seniority, terminate and are re-employed within one (1) year of termination, shall be reinstated on the seniority list except in the following circumstances:
 - i. They were terminated for cause; or
 - ii. They have applied for, or are in receipt of, their own Municipal Pension Plan pension; or
 - iii. They have bought out their recall rights.
- (b) Employees who have acquired seniority and temporarily leave the bargaining unit to fill an excluded position or a position in another bargaining unit shall maintain seniority, subject to the following conditions:
 - i. Seniority shall no longer accumulate for that time worked outside of the bargaining unit in excess of twelve (12) consecutive months.
 - ii. Seniority shall be lost if an employee works outside the bargaining unit for more than eighteen (18) months in a thirty-six (36) month period.

In the event of a legal strike or lockout, the Employer must return to the bargaining unit any employee filling in an excluded position.
- (c) An employee who leaves the bargaining unit for a regular excluded position or a regular position in another bargaining unit shall be reinstated on the seniority list if they return before the expiry of their probation or six (6) months, whichever occurs first.

13. LEAVE OF ABSENCE – OFFICIAL UNION REPRESENTATIVES

(a) Official Union Representatives

- (i) Official Union Representatives shall include Shop Stewards and Union Executive Members who are not already on a leave of absence.
- (ii) The Union agrees to provide an up to date list of Official Union Representatives to the Employer every six (6) months.

(b) Applications for Leave

All applications for union leave of absence whether with or without pay shall be granted to Official Union Representatives provided their absence does not interfere with the Employer's ability to meet operational needs. A minimum of twenty-four (24) hours' notice shall be provided when requesting a leave of absence. Such notice shall be waived to accommodate the three (3) hour notice period contained in Clause 14 when a meeting is called by the Employer for the purposes of written discipline, suspension or dismissal and may be modified or waived at the discretion of the Employer in other situations.

(c) Leaves of Absences – Manager of Administrative Services Approval

Upon application to and upon receiving permission from the Manager of Administrative Services or designate in each specific case, Official Union Representatives may be granted:

1. Time Off Without Loss of Pay:

- (i) to attend the complaint or grievance meetings with Employer representatives, or arbitration hearings held in accordance with Clause 15 of this Agreement, and/or any additional pre-arbitration grievance related meetings agreed to by the Employer. Not more than one (1) Official Union Representative shall be granted leave of absence, without loss of pay, to attend each meeting;
- (ii) to attend investigation meetings to which an Official Union Representative has been invited by the Employer as an observer and/or meetings convened for the express purpose of written discipline, suspension or dismissal of an employee. Not more than one (1) Official Union Representative shall be granted leave of absence, without loss of pay, to attend each meeting; or
- (iii) to participate in collective bargaining with the Employer. Not more than seven (7) Official Union Representatives (in total from the City, Parks, Britannia and Ray-Cam) shall be granted leave of absence for the purpose of collective bargaining with the Employer.

2. Time Off Without Pay:

- (i) for any of the purposes outlined in (1) above, additional Official Union Representatives may be granted leave; or
- (ii) to meet with a grievor during the informal complaint stage and formal stages of the grievance procedure, as well as to prepare for arbitration hearings.

3. An opportunity to adjust and take their lunch and/or rest breaks in order to investigate and possibly avoid an alleged grievance; provided such

adjustments do not interfere with the Employer's ability to meet operational needs.

(d) Leaves of Absences – Manager of Administrative Services Approval

Upon application to, and upon receiving the permission of the Manager of Administrative Services, Official Union Representatives may be granted leave of absence without pay:

- (i) to transact other business in connection with matters affecting members of the bargaining unit;
- (ii) to perform duties as a full-time officer of the Union. Such employee shall not suffer a loss in seniority in the service of the Employer, and shall continue to accumulate seniority while performing such duties. Upon retirement from the duties as an officer of the Union, such former Union officer shall be entitled to return to a position within the class of positions to which the employee's former position was allocated and for which the employee is qualified if any position within such class is vacant or held by an employee with less seniority. If all of the positions within such class are held by employees with more seniority or have been abolished, such former Union officer shall return to any vacancy at or below their previous pay grade for which they are qualified; or,
- (iii) to accept appointment or election to a full-time position with the Canadian Union of Public Employees, the Vancouver Labour Council, the British Columbia Federation of Labour or the Canadian Labour Congress. An employee on such leave shall not lose seniority in the service of the Employer. Upon termination of such period of office, the employee shall return to any vacancy at or below their previous pay grade for which they are qualified.

14. DISCIPLINE, SUSPENSION AND DISCHARGE

Both parties agree that an employee has the right to have a Union Representative present when disciplinary action may be taken. The Employer agrees to contact the Union office and provide:

- (a) At least one (1) full business days notice of the time and location of a meeting under this Clause; and
- (b) At least three (3) hours notice of the employee's contact information on file so the Union can contact the employee and provide a Union representative if the employee so wishes.

Where the employee elects not to have a Union representative present, or a Union representative is not available for the meeting, the absence of a Union representative shall not affect the Employer's right to discipline, suspend or dismiss. Nothing in this provision shall prevent the Employer from meeting with an employee or taking immediate disciplinary action in addressing serious workplace violations.

The Employer shall forward a copy of all disciplinary letters to the President of CUPE Local 15. A breach in this regard shall not void the discipline.

15. GRIEVANCE PROCEDURE

15.1 Grievances

Any difference concerning the dismissal, discipline or suspension of an employee or the interpretation, application or operation of this Agreement or any alleged violation thereof, including any question as to whether any matter is arbitrable, shall be dealt with without stoppage of work in the following manner:

- (a) Step 1
 - (1) The aggrieved employee(s) shall first raise it with the immediate supervisor, or in the supervisor's absence the Manager of Administrative Services. This will be done by the employee or the Union representative notifying the Supervisor within twenty-one (21) calendar days of the incident giving rise to the complaint or of the date when the employee first became aware of the incident, whichever is later.
 - (2) A meeting shall be held within fourteen (14) calendar days of the date on which the Supervisor is advised of the complaint. If this is not possible, the complaint may be referred to Step 2 of the formal grievance procedure. The purpose of this meeting is to review the circumstances giving rise to the incident, and to determine whether the complaint can be satisfactorily resolved without using the formal grievance procedure. At the option of the employee, a Union Representative may be present at the meeting.

- (3) If the employee is not satisfied with the Supervisor's response or if the Supervisor does not respond within seven (7) calendar days of the meeting, the Union Representative may choose to advance the complaint to Step 2 of the formal grievance procedure.

(b) Step 2

- (1) A Union Representative may file a grievance by notifying the Manager of Administrative Services or designate in writing or by e-mail, followed up in writing, and copied to the General Manager, Human Resource Services and the President, CUPE Local 15 within fourteen (14) calendar days of the date the response from the Supervisor was given or due. The grievance must specify the nature of the issue, the alleged violation of the Collective Agreement and the remedy sought.
- (2) A grievance meeting will be held with the Manager of Administrative Services or designate within twenty-one (21) calendar days of the Union Representative filing the grievance. If the Manager of Administrative Services or designate is unable to meet within twenty-one (21) calendar days, the Union has fourteen (14) calendar days from the date the meeting should have been held to refer the matter to Step 3.
- (3) The Manager of Administrative Services or designate will respond in writing within fourteen (14) calendar days of the meeting.
- (4) If the grievance is not resolved at Step 2 or the Manager of Administrative Services or designate does not respond within fourteen (14) calendar days of the meeting, the Union may refer the grievance to Step 3.

(c) Step 3

- (1) A Union representative may advance the grievance to Step 3 by notifying the Board of Management or designate within fourteen (14) calendar days of the date the Step 2 response was received or was due.
- (2) Upon receiving the notice that the grievance has been referred to Step 3, the Board of Management or designate and the Union shall make every reasonable effort to meet within twenty-one (21) calendar days of the Union Representative advancing the grievance to Step 3.
- (3) The Board of Management or designate will respond in writing within twenty-one (21) calendar days of the meeting.
- (4) If the grievance is not resolved at Step 3, the Union may advance the grievance to arbitration by advising the Board of Management in writing within twenty-eight (28) calendar days of the date of the Step 3 response.

- (5) Prior to making a decision, the Board shall consult with the General Manager, Human Resource Services of the City of Vancouver.

(d) Arbitration

- (1) The parties shall use a single Arbitrator, unless both parties want a three (3) member Arbitration Board which shall consist of one (1) member appointed by each party and a Chairperson mutually appointed by the Employer and the Union.
- (2) The Employer and the Union shall mutually agree on the Arbitrator or the Chairperson within fourteen (14) calendar days of the referral.
- (3) Where the parties are unable to agree on a single Arbitrator or a Chairperson within fourteen (14) calendar days of the referral, either party may apply to the Director, Collective Agreement Arbitration Bureau within the following ninety (90) calendar days to make the appointment. If there is no agreement to an Arbitrator or Chairperson and no referral to the Director, Collective Agreement Arbitration Bureau in accordance with this Clause, the grievance shall be considered to be abandoned.
- (4) In all other respects, the provisions of the Labour Relations Code shall apply. The decision of the Arbitrator or Arbitration Board shall be final and binding on both parties. Each party shall pay half the expense of the Arbitrator or Chairperson and the expenses of their representative.

(e) Pre-Arbitration Consultation

The parties agree to meet at least thirty (30) days prior to an arbitration hearing to discuss the issues in dispute and reach resolution if possible.

(f) Employer-initiated Grievances

Employer-initiated grievances shall have the same time limits and procedures as Union-initiated grievances.

15.2 Policy Grievances

- (a) When a "dispute", as defined in the Labour Relations Code, arises between the parties, including any difference concerning the interpretation, application, operation or alleged violation of this Collective Agreement which does not specifically involve an employee, the matter may be submitted in writing by the Union to the Manager of Administrative Services, or, alternatively, by the Employer to the Union.
- (b) The Manager of Administrative Services and the Union will make every reasonable effort to meet and discuss the grievance within twenty-one (21) calendar days of the notification of the grievance.

- (c) The responding party will respond to the grievance within fourteen (14) days of the meeting.
- (d) If a satisfactory settlement is not reached between the General Manager, Human Resource Services and the Union, the grieving party may refer the matter to the Board of Management (or the Union where applicable) within fourteen (14) days of the response.
- (e) The Board of Management and the Union Representative will make every reasonable effort to meet and discuss the grievance within twenty-one (21) calendar days of the referral under (d) above.
- (f) Prior to making a decision, the Board shall consult the General Manager, Human Resource Services of the City of Vancouver.
- (g) The responding party will respond to the grievance within fourteen (14) days of the meeting.
- (h) If the grievance is not resolved through the above process, the grieving party may refer the grievance to Arbitration as provided for in Clause 15.1(d).

15.3 Suspension or Dismissal

When an employee is suspended, the Union Representative may file a grievance at Step 2, by passing Step 1. When an employee is dismissed, the Union Representative may file a grievance directly at Step 3, bypassing Step 1 and Step 2. In both situations, the Union Representative shall file the grievance within fourteen (14) calendar days of the date the employee is notified of the suspension or dismissal.

15.4 Variations

The parties may mutually agree to vary the procedure or to alter the timelines.

16. TECHNOLOGICAL CHANGE

During the term of this Agreement any disputes arising in relation to adjustment to technological change shall be discussed between the bargaining representatives of the two parties to this Agreement.

Where the Employer introduces, or intends to introduce, a technological change, that:

- (e) affects the terms and conditions, or security of employment of a significant number of employees to whom this Agreement applies; and
- (f) alters significantly the basis upon which this Agreement was negotiated,

either party may, if the dispute cannot be settled in direct negotiations, refer the matter directly to an arbitration board constituted under 15.1(d) of this Agreement, by-passing all other steps in the grievance procedure.

The arbitration board shall decide whether or not the Employer has introduced, or intends to introduce a technological change, and upon deciding that the Employer has or intends to introduce a technological change the arbitration board:

- (a) shall inform the Minister of Labour of its finding; and
- (b) may then or later make any one or more of the following orders:
 - (1) that the change be made in accordance with the terms of this Agreement unless the change alters significantly the basis upon which this Agreement was negotiated;
 - (2) that the Employer will not proceed with the technological change for such period, not exceeding ninety (90) days, as the arbitration board considers appropriate;
 - (3) that the Employer reinstate any employee displaced by reason of the technological change;
 - (4) that the Employer pay to that employee such compensation in respect of the displacement as the arbitration board considers reasonable.

The Employer will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- (a) affects the terms and conditions or security of employment of a significant number of employees to whom this Agreement applies; and
- (b) alters significantly the basis upon which this Agreement was negotiated.

17. EMPLOYMENT EQUITY

The Employer and the Union agree with employment equity programs which will assist Indigenous and racialized people, persons with disabilities, women and gender-diverse people in gaining entry into employment and which will provide opportunities for advancement.

Note: See also Schedule "G".

18. AGREEMENT AS TO CONDITIONS NOT MENTIONED

19. OCCUPATIONAL HEALTH PLAN

All employees covered by this Agreement shall be subject to the provisions of the Occupational Health Plan as agreed to between the Employer and the Union.

20. HUMAN RIGHTS

The Employer and Union agree that any form of discrimination (including sexual harassment) under the prohibited grounds of the B.C. Human Rights Code shall not be tolerated in the workplace.

B. 8.1 Overtime

(1) Overtime for Employees Working Standard Hours

 - (2) the greater of forty (40) straight time hours in a week or the straight time hours the compressed work week schedule would have included in that week.

SUPPLEMENTARY VACATIONS: EXPLANATION OF THE TABLE

In the table the figure to the left of the oblique stroke shows the number of working days* of regular annual vacation.

The figure to the right of the oblique stroke shows the number of working days of supplementary vacation, and appears in the calendar year in which they are credited to an employee. These supplementary vacation days may be taken in any of the years beginning with the one in which they were credited but prior to the one in which the next five (5) days are credited.

Example:

An employee hired in 2002 is in their eleventh (11th) calendar year during 2012. The employee in 2012 will be credited with five (5) supplementary working days which may be taken at any time between 2012 and 2016, both years included. In 2017 the employee will be credited with a further five (5) supplementary working days, etc.

SCHEDULE "E"

This is Schedule "E" referred to in
Clause 22 of this Agreement

MATTERS ARISING FROM COLLECTIVE BARGAINING

1. 1977 Negotiations

The following items of the Memorandum of Agreement dated 4 June 1977, entered into between the bargaining representatives for the City of Vancouver et al and the bargaining representatives for the Union which was used in the preparation of this Agreement:

1.1 Compressed Work Week

With respect to the Unions' proposal for a Compressed Work Week based on present hours, it is agreed that decisions regarding whether or not, and if so, to what extent compressed work weeks should be made in local discussions between the Employer and the Union. It is agreed, however, that arrangements for the conversion of fringe benefits from a 5-day week basis to a 4-day week basis or to a 9-day fortnight basis shall be made in accordance with one or other of the standard formulas the details of which are set forth in Appendix "1" which is attached to this Schedule.

It is expressly agreed that the various formulas which are to be included within all new Agreements, are to be based upon the principle that any adjustment from a 5-day week is to be accomplished with neither any additional salary or benefit cost to the Employers nor any reduction in the salaries or benefits received by their employees.

1.2 Job Training

Both parties agree to the principle of job training programs. The details and implementation of employee training programs designed to improve employee effectiveness shall be a topic of local discussions.

APPENDIX "1"

This is the Appendix referred to in Item 1.1 of Schedule "E"

Principles Governing the Conversion of Employee Fringe Benefits
in cases of Introduction or Renewal of Compressed Work Weeks

In the event that any of the parties to this Memorandum of Agreement decide in local discussions to extend the existing conversion of, or to convert the work week of the employees staffing the whole or a part of an Employer's operations, from five (5) working days to four (4) working days per week or to nine (9) working days per fortnight, it has been agreed that such employees' fringe benefits shall be converted as follows:

1. Basic annual working hours shall be calculated as $260.89 \times \text{daily working hours}$ as per the 5-day week; e.g. $260.89 \times 7 = 1826\frac{1}{4}$, or $260.89 \times 7.5 = 1956.675$.
2. Basic annual public holiday hours shall be calculated as $12 \times \text{daily hours}$ as per the 5-day week; e.g. $12 \times 7 = 84$, or $12 \times 7.5 = 90$.
3. Account shall be taken of the difference in basic annual rest period allowances; e.g. $52.178 \text{ weeks} \times 5 \text{ days} \times 20 \text{ minutes} (=86.96 \text{ hours})$ in the case of the standard 5-day week; $52.178 \times 4 \times 20 \text{ minutes} (=69.57 \text{ hours})$ in the case of the 4-day week; and $52.178 \times 4.5 \times 20 \text{ minutes} (=78.27 \text{ hours})$ in the case of the 9-day fortnight.
4. Employees shall have at least two of their days off in any week consecutive, and such days off shall for purposes of Overtime pay be deemed to be the "first scheduled rest day" and the "second scheduled rest day". Pay for any work on the third day off in any week shall be in accordance with normal daily overtime rates.
5. For the purposes of Overtime pay on scheduled working days, normal daily working hours and the normal work week shall be considered to be those lengths of time established by the parties pursuant to paragraph 8 herein.
6. Annual Vacation entitlement and all credits for Deferred Vacation, Supplementary Vacation, Sick Leave benefits and Gratuity benefits shall be converted from working days to working hours by multiplying the number of days to an employee's credit by the daily working hours as per the previous 5-day week. All deductions or debits shall be made on the basis that each working day of absence shall be measured as the length of time established by the parties pursuant to paragraph 8 herein.
7. Notwithstanding any clause in a Collective Agreement to the contrary, an employee shall not receive pay for acting senior capacity where such employee has been temporarily required to accept the responsibilities and carry out the duties of a senior position because of the absence of the incumbent of that senior position due to the compressed work week.

APPENDIX "1" TO ITEM 1.1 (cont'd)

8. In order to establish the length of the compressed work day and the compressed work week, the parties are to be governed by the principle that the basic annual working hours less basic annual public holiday hours and less basic annual rest period allowances are to remain the same under the compressed work week as they were under the standard work week.

The parties will be free to decide how to deal with the matter of public holidays in accordance with one or other of the three following ways, and their decisions will determine automatically the lengths of the compressed work day and work week:

- (a) Revert to a standard five (5) day week in any week when a public holiday occurs;
 - (b) Change days off during any week when a public holiday occurs in order that each employee will work on four (4) days in every week of the year with the sole exception being when Christmas Day and Boxing Day are observed in the same week in which case each employee will work three (3) days in that week and five days in the immediately preceding week.
 - (c) Have a compressed work day off with pay for each public holiday, and owe the Employer the difference in hours between the length of the compressed work days and the length of the employee's former standard work day.
9. Whenever any doubt arises as to how the fringe benefit conversion should be made with respect to any item (whether or not covered by this Appendix "1"), the doubt shall be resolved by reference to the basic principle agreed upon by all parties to this Memorandum, i.e., there shall be no additional salary or benefit cost to the Employer, and no reduction in the salaries or benefits received by the employees.
10. In the event any Employer and its respective Union wish to amend or continue an existing experimental compressed work week, or wish to introduce a compressed work week, they will be required to obtain the approval of the Joint Language Sub-Committee with respect to their proposed formula for converting employee fringe benefits.

The parties agree that the following principles are implicit in and form part of the terms of the Collective Agreement:

Where an employee is required to work within the eight (8) or thirty-two (32) hour free period, the time worked during the work free period shall be subject to the appropriate overtime provisions.
- (2) That, where an employee works a split shift, the shift shall be completed within twelve (12) hours of commencing such shift.

- A. The Employer and the Union agree to indicate their support of Employment Equity by agreeing to the following:
- (1) The Employer will provide, subject to budgetary restrictions, training on diversity, equity, inclusion and reconciliation to departments on an as-requested basis.
 - (2) The Union agrees to support Employment Equity programs including financial support.
 - (3) The Union agrees to support employees learning on diversity, equity, inclusion and reconciliation, including reinforcing key messages when possible.

SCHEDULE "H"

This is Schedule "H" referred to in
Clause 22 of this Agreement

VACATION SCHEDULING AND OVERTIME CONFLICTS

(1) Vacation Scheduling

Managers are expected to consider the following factors in the approval of vacation requests:

- (1) number of employees off at one time,
- (2) work load issues surrounding the time of the vacation request,
- (3) special employee qualifications and competencies required to perform the work,
- (4) compassionate issues, and
- (5) the recent or upcoming leaves of employees.

Where such factors do not assist in distinguishing between competing vacation requests, and there has been a reasonable distribution of prime vacation time, the most senior employee shall be given preference for all or part of their vacation request. The Employer will not cancel approved vacations for other than operational reasons.

(2) Overtime Conflicts

On occasion it is necessary to require employees to work overtime in order to meet operational and customer service requirements. It is recognized that in many situations the choice of who shall have access to overtime is prescribed by the nature of the work itself, the knowledge, capabilities and competencies of those required to do the work, the natural attachment of the work to a specified position, process, project or shift or by the exigencies at the time the overtime arises (including the lead time available prior to making the decision to use overtime). Where the overtime is not prescribed as above, could be done by a number of employees, there has already been a reasonable degree of sharing in such overtime and there are competing interests for the immediately available overtime work then the most senior employee shall be given preference.

(3) Decisions rendered in accordance with the above provisions are not subject to the grievance process. This shall not, however, limit the Union's general ability to grieve matters related to discrimination as per Clauses 4 or 20 or discipline.

LETTER OF UNDERSTANDING

This is the Letter of Understanding

- (a) Each Job Sharing arrangement shall be for a maximum period of one (1) year unless extended by mutual agreement between the Employer and the Union.
- (b) A Job Sharing arrangement may be terminated earlier than expected by either of the employees or by the Employer provided thirty (30) calendar days' written notice has been served to the other parties, unless otherwise provided for in the letter referred to in paragraph 2(c). Other employees temporarily appointed to fill positions vacated as a direct result of job sharing shall be advised at the time of their temporary appointment that their term in the position could be cut short as a result of an early cancellation.
- (c) Upon the expiry or termination of the Job Sharing arrangement, the Regular Full-Time Employee shall revert to working in their position on a full-time basis under the terms and conditions applicable to Regular Full-Time Employees unless some other Job Sharing arrangement has been agreed upon.

4. Employee Status and Working Conditions

- (a) A Regular Full-Time Employee in a Job Sharing arrangement shall continue to maintain the status of a Regular Full-Time Employee during the period of time covered by the Job Sharing arrangement and shall accumulate seniority in proportion to the scheduled hours compared to the full-time hours of the position. Such an employee shall be entitled to exercise bidding rights as a Regular Full-Time Employee and to use accumulated seniority for all applicable purposes including layoff, bumping and recall.
- (b) The general principles with respect to wage rates, employee benefit entitlements and premium payments for Regular Full-Time Employees in Job Sharing arrangements are as follows:
 - (1) Wages shall be paid in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
 - (2) Paid leave benefits, such as Vacation, Public Holidays, Sick Leave and Gratuity shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
 - (3) The employee's share of the premium payments for Health and Welfare benefits, such as Extended Health, Dental and Group Life shall increase proportionately as the number of scheduled weekly hours decrease in relation to the full-time hours of the position being shared.
- (c) In accordance with the general principles outlined in paragraph 4(b), except as otherwise stated, the following shall apply to Regular Full-Time Employees:

(1) Vacation Entitlement

The employee's annual vacation entitlement shall be prorated according to the number of weekly hours the employee is scheduled to work in comparison to the full-time hours of the position being shared. It is understood that the Employer shall not adjust the start date of the employee for the period of time spent in the Job Sharing arrangement and as such any future vacation entitlement shall not be delayed as a result of time spent in a Job Sharing arrangement.

(2) Supplementary Vacation

Supplementary vacation shall not be prorated as a result of an employee participating in a Job Sharing arrangement.

(3) Public Holidays

- (a) Where an employee's normal hours of work are based on a five (5) day week, the employee shall take public holidays as they occur. The employee's public holiday entitlement and pay shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the full-time hours of the position being shared.
- (b) Where the employee has not received sufficient public holiday hours as part of their work schedule or been credited with sufficient hours as a result of the proration or made alternate arrangements to the satisfaction of the department to use public holiday hours to which they were entitled as a result of the proration, the employee's public holiday account shall be credited with the appropriate number of hours at year end.
- (c) Where the employee has received an overage on the number of paid hours, the employee may be scheduled to work without pay to make up the equivalent number of overpaid hours. Where the Employer is not able to schedule work for the employee, arrangements shall be made to deduct the overage either from the employee's compensating time off account or from the employee's normal pay and such deduction is to be done at year end or at the expiry of the Job Sharing arrangement, whichever is the earlier.
- (d) Shared positions based on the compressed work week of 4 days shall receive prorated public holiday pay as part of their pay cheque and therefore no adjustment is required.

(4) Extended Health, Dental and Group Life

The Employer shall pay a prorated share of the premiums for the above-noted benefits based on the proportion of the employee's new scheduled hours compared to the full-time hours of the position being shared and the premiums normally paid by the Employer for a full-time employee. The employee shall pay the balance in order to maintain full coverage.

An example of the calculation of the Employer's share is as follows:

Employer's share = $17.5 \text{ (scheduled hours)} / 35 \text{ (normal full-time hours)} \times 75\% \text{ (employer's portion of premium)} = 37.5\% \text{ of premium}$

(5) Sick Leave and Gratuity

For the period of the Job Sharing arrangement, the employee shall have sick leave and gratuity days credited on a prorated basis, calculated on the same proportionate basis as the employee's new scheduled hours bears to the full-time hours of the position being shared.

(6) VESP

The employee shall continue to be entitled to VESP on the basis of 1½% of the reduced earnings.

(7) Superannuation

Where an employee is contributing to superannuation and enters a Job Sharing arrangement, the employee shall be required to continue making payments toward superannuation. The cost sharing arrangement shall continue on the same percentage basis applied to the reduced earnings.

(8) Increments

A Regular Full-Time Employee sharing a position shall be eligible for increments upon the completion of the equivalent period of service applicable to a Regular Full-Time Employee in a similar classified position.

5. Auxiliary and Regular Part-Time Employees

Auxiliary and/or Regular Part-Time Employees sharing a portion of a Regular Full-Time position as a result of a Job Sharing agreement shall continue to be treated in accordance with the applicable provisions of the Collective Agreement.

LETTER OF UNDERSTANDING

This is the Letter of Understanding
referred to in Clause 22 of this Agreement

CHANGES TO HOURS OF WORK

Where the Employer wishes to change the hours of work (which includes work week), of an employee or a position, in a manner not already provided for within the terms of the Collective Agreement or as otherwise agreed by the parties, the following shall apply:

A. Informal Adjustment of Hours by Mutual Consent

A supervisor and an employee may, by mutual consent, at the written request of either party, agree to vary the employee's hours of work, for such fixed period as the parties may agree or in the absence of such fixed period, for as long as both parties continue to consent. Such variation in the hours of work shall not establish a precedent. Employees will not be eligible for additional premiums provided for in the Collective Agreement for working outside normal hours if the change is initiated by the employee. If any informal arrangements extend beyond nine (9) months, the Union will be notified and if the Union objects the informal arrangement will be discontinued.

B. Formal Change to Hours of Work

1. The Employer shall provide the Union with no less than thirty (30) calendar days' written notice of the intended change, the names of the position(s) and incumbent(s) impacted, the reason(s) for the change and duration, and provide an opportunity to meet within the thirty (30) days of the Union receiving the written notification in order to discuss the proposed change(s).
2. The Union shall provide a written response within thirty (30) calendar days of the meeting which shall include primary reasons for withholding their consent.
3. The Union shall not unreasonably withhold consent to the altered hours of work proposal.
4. Where the reason(s) for the change include a bona fide operational requirement that employees subject to this Agreement be available to support City operations staffed by employees represented by CUPE Local 1004, such bona fide operational requirement shall be presumed to constitute a reasonable justification and sufficient basis for implementation of the altered hours of work pursuant to this Letter of Understanding.
5. Where there is no mutual agreement, the matter may be referred within twenty (20) calendar days of receiving the Union's response to an Hours of Work Umpire who shall convene a hearing for a final and binding decision at any time, but no later than twenty (20) calendar days from the date the Employer referred the matter to the Umpire. No change to the hours of work shall be implemented until such time as the Umpire has reached a decision and notified both parties in writing.

LETTER OF UNDERSTANDING – CHANGES TO HOURS OF WORK (cont'd)

Page 2

It shall be the Employer's responsibility for establishing the rationale for the change in hours of work.

6. The cost of the Umpire shall be borne by the Employer. Where it is necessary to pay for accommodation, the cost shall be borne equally by the Employer and the Union.
7. The Hours of Work Umpire shall evaluate whether the Union has been unreasonable in denying the Employer's request after considering the Employer's rationale for the proposal, the impact on the personal and family needs of any affected incumbent(s), and the Union's rationale for denying the request.
8. Decisions of the Umpire shall not be precedent setting and shall be made within fourteen (14) calendar days of the matter being heard.
9. The Hours of Work Umpire shall be selected from the following list on a rotating basis. Should an Umpire not be available or indicate they will not be able to meet the time limit, the next name on the list shall be selected.

10. Employees who are affected by an hours of work change under this Letter of Understanding shall be offered the amended work shifts on the basis of seniority (high to low) provided they are qualified to perform the work. In the event there are insufficient employees who agree to accept the work shifts, the Employer shall assign the work in reverse order of seniority (low to high) to employees qualified to perform the work.
11. The parties agree that the Shift Premium provision applies outside the normal hours as referenced under the Shift Premium provision for any of the seven (7) days of the week.
12. Except as provided in #13 below, the process established in "B" of this Letter shall be used to revert to the hours of work previously in effect or to make further adjustments to the hours.
13. Nothing in this Letter impacts the current 1976 Letter of Understanding on the Compressed Work Week and the cancellation provision contained therein, where City Council has resolved to invoke the cancellation. In such event, the Employer may cancel any Compressed Work Weeks established under this Letter of Understanding.
14. The Employer and the Union agree that procedures under this Letter of Understanding do not relate to a "difference" within the meaning of Section 104(1) of the Labour Relations Code.

LETTER OF UNDERSTANDING

This is a Letter of Understanding referred
to in Clause 22 of this Agreement

LAYOFF AND RECALL

The Employer and the Union agree to amend the Layoff and Recall provisions of the Collective Agreement (Clauses 11.5 and 6) to include the following, effective 1997 August 26. All remaining provisions of the Collective Agreement remain in full force and effect. It is recognized these provisions apply only to Regular Full-Time Employees.

1. Definition

“Service Group” means:

- Parks
- Community Services, i.e. Planning, Permits and Licences, Social Planning and Housing
- Engineering
- Corporate Services, i.e. Finance, Information Technology, Building Management, Real Estate, Facilities Development and Risk and Emergency Management
- Fire
- Human Resources
- Civic Theatres
- City Clerk
- Law
- Ray-Cam
- Britannia

2. Notice

Employees who are impacted by a permanent reduction in the workforce will be provided with not less than thirty (30) calendar days written notice of such fact.

Where the Employer determines that two (2) or more employees within the same classification and work group are performing substantially similar work and where the Employer intends to issue layoff notice to one or more employees within that group, layoff notices will be issued in reverse order of seniority provided the remaining employees have the qualifications and ability to perform any required work.

3. Process

- (a) If there is a vacant position at the employee's current pay grade in the employee's Service Group or Employer-wide for which the Employer deems the employee qualified, the Employer may, at its discretion, place the employee in that position, without posting. If there is no vacant Regular Full Time position at the employee's current pay grade in the employee's Service Group or Employer-wide for which the Employer deems the employee qualified, the Employer may, at its discretion, place the employee in a vacant temporary position at the employee's current pay grade

in the employee's Service Group or Employer-wide for which the Employer deems the employee qualified, without posting. If the employee does not wish to be so placed, they may elect to be placed on the recall list or request a buyout of their recall rights.

- (b) If the employee is not placed in accordance with (a), then within fourteen (14) calendar days of receipt of notice, the employee shall elect to bump, to be placed on the recall list or request a buyout of their recall rights.
- (c) Where the Employer elects to provide notice in excess of thirty (30) calendar days, the Employer will have the discretion to extend the fourteen (14) calendar day period under (b) for some or all of the excess notice period.
- (d) An employee who elects to bump may:
 - (3) elect to be placed in a vacant Regular Full Time position of the same class Employer-wide; then
 - (4) elect to be placed in a vacant temporary position of the same class Employer-wide; then
 - (5) bump the least senior Regular Full Time employee in their classification in their Service Group or Employer-wide; then
 - (4) bump the least senior temporary employee in their classification in their Service Group or Employer-wide; then
 - (5) bump the least senior Regular Full Time employee in any classification in their Service Group or Employer-wide at their current pay grade; then
 - (6) bump the least senior Regular Full Time employee in a lower pay grade in their Service Group or Employer-wide; then
 - (7) elect to be placed in a vacant position at a lower pay grade Employer-wide.

Employees placed in a temporary position under this clause whose temporary position will be returned to the beginning of the process set out in clause 3 without the need for further layoff notice. Employees may only elect to be placed and/or bump into a temporary position once under this clause.

If employees are not qualified to bump the least senior employee above, they may bump the next least senior employee, etc., until they find a position for which they are qualified.

- (e) An employee who has not been placed in accordance with (a) and who has exhausted their bumping rights under (b), or who elects not to exercise those rights, shall be placed on the Recall List.

LETTER OF UNDERSTANDING – LAYOFF AND RECALL (cont'd)

Page 3

- (f) In all cases, where an employee is placed or bumps into another position, the employee must be qualified to perform the work of the new position. Where an employee requires a reasonable period of familiarization, not exceeding thirty (30) calendar days, with the routine and specific responsibilities of the new position, the requirement for such period of familiarization shall not be taken as ground to deem the employee unqualified for the position.
- (g) An assessment period of three (3) months will apply to employees in new positions to confirm their ability to perform the job. If the Employer can demonstrate that the employee has not been successful in the assessment period, it will again provide to the employee access to the process described above.
- (h) An employee has the right to have a Union Representative attend meetings with them to discuss layoff and bumping.
- (i) An employee who has successfully bumped into a lower paid classification may, within a two (2) year period after so bumping, displace an employee in their former classification who has been converted from Temporary Full-Time to Regular Full-Time status pursuant to Schedule B, Preamble or a junior Regular Full-Time employee who is entitled to rights in accordance with 11.2(c)(2).

This process is subject to the following conditions:

- (1) Where there are eligible employees under (i) above and upon written request of the Union, the Employer shall provide the Union a list of: Temporary Full-Time employees converted pursuant to Schedule B preamble; and Regular Full-Time employees entitled to rights in accordance with 11.2(c)(2) not more than four (4) times annually.
- (2) Within thirty (30) days of publication of the list, an employee shall notify the Employer and Union in writing of their intent to displace a listed employee in their former classification. Displacement will be subject to the employee's qualification for the selected position.
- (3) Employees converted pursuant to Schedule B preamble and displaced under this clause (i) shall not be eligible to exercise bumping rights as a regular employee, but will retain the ability to use their accumulated seniority to compete for posted vacancies pursuant to Schedule B. Part D(a).

4. Recall

- (a) The period of recall shall be extended to twelve (12) months, inclusive of temporary and auxiliary work.
- (b) Employees may continue participation in health and welfare benefits (EHB, Dental and Group Life) while on the Recall List by paying the full monthly premiums in advance.

LETTER OF UNDERSTANDING – LAYOFF AND RECALL (cont'd)

Page 4

- (c) But for placements under clause 3 above, the offer of temporary and/or auxiliary assignments to Regular Full-Time and Regular Part-Time Employees with seniority who have been laid off shall not be considered a recall. An employee who accepts such temporary and/or auxiliary work shall not receive a further layoff notice at the conclusion of such work. Employees who decline such work will not be considered to have refused a recall.

5. Buyout of Recall Rights

Regular Full-Time Employees who are entitled to recall may request a buyout of their recall rights based on a payment equivalent to two (2) weeks, plus one (1) additional week for each additional completed year of service to a maximum payment of eighteen (18) weeks.

For Regular Part-Time Employees the buyout of recall rights shall be on a prorated basis calculated on the same proportionate basis as the Regular Part-Time Employee's weekly schedule of core hours bears to the full-time hours for that class of position.

An employee who elects a buyout of recall rights will not be considered as an internal applicant for any job posting or vacancy effective from the date that the employee makes the election.

An employee who elects a buyout of recall rights will not be entitled to have their seniority reinstated pursuant to clause 12.3(a)(iii) and will be considered a new employee if rehired by the Employer.

LETTER OF UNDERSTANDING

This is the Letter of Understanding referred
to in Clause 22 of this Agreement

TELECOMMUTING

The Employer and the Union agree that where a Regular Full-Time, Temporary Full-Time or Regular Part-Time Employee wishes to telecommute, such telecommuting arrangements may be mutually agreed upon subject to the following terms and conditions PROVIDED HOWEVER that nothing in this Letter of Understanding ("LOU") shall be construed as altering the existing rights and/or obligations of either party under the Collective Agreement except as specifically provided herein.

1. General

Telecommuting is defined as engaging in recurring, scheduled work during regular working hours that is done from a remote location other than an Employer worksite (the "Remote Location"), authorized and approved by the Employer, connecting to a regular designated Employer worksite, also authorized and approved by the Employer.

Any agreement entered into pursuant to this LOU shall be reached on the understanding that the arrangement is without precedent or prejudice to any position that the Employer or the Union may take in future cases involving similar or identical matters and/or circumstances, and that the terms and conditions of this LOU will apply.

While performing work at the Remote Location, the employee will continue to be considered a Britannia Community Services Society employee, and will remain under the direction of his or her supervisor and will be required to perform his or her duties in a manner consistent with all Employer policies and guidelines.

The terms and conditions of the Collective Agreement will be in full force and effect on those days where the employee is telecommuting.

2. Procedure

- (a) Telecommuting arrangements may be initiated by an employee or by the Employer. These arrangements shall be in writing and shall include the terms and conditions of the telecommuting arrangement.
- (b) Where a telecommuting arrangement is approved by an employee and the

Employer, a copy shall be provided to the Union for its consideration and approval. The Employer shall also provide the Union with a copy of requests which are not approved. The Union will provide the Employer with a copy of the arrangement after approval.

- (c) Where an employee's request is denied, the Union may request a meeting with the Manager of Administrative Services to discuss the matter, provided however that it is understood that the Employer's refusal to approve a requested telecommuting arrangement shall not be grievable. This shall not, however, limit the Union's general ability to grieve matters related to discrimination as per Clauses 4 and 20 of the Collective Agreement.

3. Hours

Under normal circumstances, the regular daily and weekly hours of the position shall remain unchanged as a result of the telecommuting arrangement unless otherwise varied by the terms and conditions contained in the letter referred to in paragraph 2(a), above.

Scheduling and recording of time off including sick, EDO and vacation will be subject to the same rules and conditions as are currently in place and shall not occur only on days when the employee is scheduled to attend at an Employer worksite.

4. Provision of Equipment, Technology and Supplies

- (a) The Employer shall provide:

- (i) necessary computer equipment, software and peripheral devices to specifications approved by the Employer, including upgrades which may be required from time to time;
 - (ii) regular office stationery, materials and supplies required by the employee, and
 - (iii) Personal First Aid kit, if required;
- all of which shall remain the property of the Employer.

- (b) The employee shall provide:

- (i) a high speed internet connection;
- (ii) office furniture;
- (iii) one telephone line available at all times during working hours for business use;
- (iv) all additional utility expenses

all of which shall remain the property of the employee, with the exception of any Employer-supplied furniture or equipment.

LETTER OF UNDERSTANDING - TELECOMMUTING (cont'd)

Page 3

5. Safety and Ergonomics

- (a) The Employer will have the discretion to inspect the Remote Location, in person or by video-conference, and may request photos in order to confirm that the Remote Location is appropriate and that it meets with WorkSafeBC requirements. It is agreed that the Remote Location must be determined to be satisfactory in writing by the Employer before the employee may perform their duties from the Remote Location. If substantial changes are made to the Remote Location, the employee shall notify the Employer and the Employer may schedule another inspection to determine ongoing appropriateness of the Remote Location and to require changes to the Remote Location if the telecommuting arrangement is to continue. The Union may request any Remote Location inspection reports which are produced.
- (b) WorkSafe BC matters in the telecommuting situation shall be treated similarly to injuries occurring at the regular workplace.
- (c) Nothing in this LOU shall be deemed to diminish the Employer's responsibilities under the Workers' Compensation Act to ensure a safe workplace.

6. Productivity

Quantity and quality of work performed shall be monitored by the employee's supervisor to ensure quantity and quality of the work is consistent with required work levels and that work is performed during agreed working hours, per the employee's work schedule as set forth in the letter referred to in paragraph 2(b), above. Workload and productivity level expectations for the employee will be reasonable and similar to that expected at the regular workplace.

It is understood that should the Employer's network be unavailable, or should the employee's Remote Location computer be unavailable for more than 15 minutes, preventing the employee from performing assigned duties, that the employee will contact the supervisor immediately so that alternate duties may be discussed and assigned.

The employee will come to the regular designated work site should unforeseen problems prevent them from working at the Remote Location on the designated days, or should the Employer request the employee to attend a regular worksite. In the event the employee must attend at the regular worksite for any reason on a day scheduled for telecommuting, the Employer shall not reimburse any transportation expenses.

7. Dependent Care

Employees who telecommute and who are responsible for dependents or others shall have other care available such as a spouse, relative or neighbour who can provide care during working hours.

LETTER OF UNDERSTANDING - TELECOMMUTING (cont'd)

Page 4

8. Security and Confidentiality

The employee's Remote Location computer and all necessary application and communication software must meet all Employer standards for remote access.

All Employer documents and information shall be kept in a manner that is safe, secure and confidential.

9. Term of Telecommuting Arrangement

It is understood that a telecommuting arrangement shall be deemed to conclude when:

- a) The employee changes positions; or
- b) The Employer, the Union or the employee terminate the telecommuting arrangement by providing thirty (30) days' written notice.

10. Term of Letter of Understanding

Either party may terminate this Letter of Understanding by providing at least thirty (30) calendar days' written notice to the other party during the thirty (30) calendar days immediately prior to the date of expiry of this Collective Agreement. Notwithstanding such cancellation, all Telecommuting arrangements in effect at the time of cancellation shall continue under the individual terms agreed upon.

This Letter of Understanding is effective from 2007 October 10 and has been modified in subsequent rounds of bargaining.

LAYOFFS DUE TO CONTRACTING OUT

The Employer agrees that any proposal for contracting out of any work currently performed by members of CUPE Local 15 that may result in the layoff of members of the CUPE Local 15 workforce will be communicated to the Union no less than six (6) calendar months before the date on which the Employer intends to contract out the work.

Once such contracting out notice is given to the Union, the Employer and the Union will meet, in good faith, to discuss and consider the following:

- Alternatives to the proposed contracting out;
- Priority placement of the affected employees;
- Retraining, job search and outplacement support for the affected employees;
- Severance Provisions (including early retirement options). If the Employer and the Union cannot agree to the severance provisions, the matter will be referred to Brian Foley, or another mutually agreeable arbitrator, for a binding decision.

The Employer and the Union agree that the process described above will satisfy the requirements of Section 54 of the Labour Relations Code.

LETTER OF UNDERSTANDING

This is a Letter of Understanding referred
to in Clause 22 of this Agreement

LONG TERM REPLACEMENT OF REGULAR EMPLOYEES

The Parties have agreed to the following provisions to address vacancies that are filled on a temporary basis where an employee is absent from their position for an extended period of time due to illness or injury.

The goal of these changes is to provide for a process that minimizes disruption and respects a returning employee's ability to meaningfully re-enter the workforce after a long-term absence, if that should occur.

1. Where "Employee A" is absent due to illness or injury and where their position is filled by "Employee B" on a temporary basis for two (2) calendar years;
 - (a) "Employee B" shall be appointed to that position on a regular and continuing basis, effective the second anniversary of being awarded the backfill posting.
 - (b) The appointment of "Employee B" may not be used to trigger subsequent appointments; that is, there shall be no cascading appointments.
2. In the event that "Employee A" is medically fit to return to their former position after 1(a) above has been satisfied, the following process shall govern "Employee A's" return to the workplace:
 - (a) The Employer may place "Employee A" into any available vacancy in the employment pool at the same pay grade without a posting; if "Employee A" declines such a placement, that decision shall extinguish the Employer's obligations to "Employee A".
 - (b) If no such vacancy is offered under 2(a) above within ten (10) calendar days, "Employee A" must exercise their bumping rights pursuant to Clause 3(d) of the Letter of Understanding – Layoff and Recall:
 - 3(d)(1): elect to be placed in a vacant position of the same class Employer-wide; or
 - 3(d)(2): bump the least senior employee in their classification in their Service Group or Employer-wide; or
 - 3(d)(3): bump the least senior employee in any classification in their Service Group or Employer-wide at their current pay grade; or

OF REGULAR EMPLOYEES (cont'd)

Page 2

3(d)(4): bump the least senior employee in a lower pay grade in their Service Group or Employer-wide; or

3(d)(5): elect to be placed in a vacant position at a lower pay grade Employer-wide;

It being understood that the final two stages of the process (Clauses 3(d)(4) and 3(d)(5)) are at "Employee A's" discretion and that "Employee A" may not elect to buy-out their recall rights.

- (c) Placement and bumping opportunities are subject to the Employer's determination that "Employee A" is qualified and able to perform the work of the new position.
 - (d) If "Employee A" is not placed under 2(a) above and is not able to bump a junior employee in a similar pay grade under 2(b) above, the Employer shall return "Employee A" to their original position, if it still exists.
 - (e) In the event that "Employee A" returns to their original position, "Employee B" shall be provided notice of layoff.
3. The previous conditions are not intended to act as a substitute for the Employer's general duty to accommodate under the British Columbia *Human Rights Code*.
 4. The previous conditions do not prejudice the Employer's rights to terminate the employment relationship for cause.

Transition

5. Employees currently occupying positions which:
 - (a) satisfy the conditions of 1(a) above; or
 - (b) are within three (3) months of satisfying the conditions of 1(a) above,
 shall not be regularized without three (3) calendar months' notice.

1. Dues will continue to be deducted and remitted for employees working outside the bargaining unit while seniority is retained (includes that period in which seniority is retained, but no longer accumulating). Dues will cease to be deducted once seniority is lost.

CITY USE OF AGENCY PERSONNEL

The City and the Union agree to resolve this matter on the following basis:

1. The City will use its best efforts to minimize its use of external agency personnel through the internal recruitment of temporary staff.
2. This acknowledges that the City may use staff provided through an external agency to fulfil legitimate needs arising in the very short term or in emergency situations. If personnel are provided through an external agency the following conditions will apply:
 - a) During the first 30 days of an assignment, the person will be paid the appropriate bargaining unit rate of pay and will be covered by the provisions of the Collective Agreement as they relate to Temporary Full-Time employees with less than 30 days service except that they shall not have access to the grievance procedure nor shall the provisions relating to Court Attendance and Jury Duty in Article 10.11 and Work Week in Article 11.1 apply. It is understood that during this period, the Agency shall be responsible for vacation pay and Public Holiday pay.
 - b) If employed for more than 30 days, the person will be treated for all purposes as though employed by the City and will join the Union by the 31st day. Union dues will be paid on all earnings beyond the 30th day of employment and as an employee of the City, the person will be covered by all terms and conditions of the collective agreement.
3. At agreed upon intervals the City will provide in writing to the Union a report setting out each instance of the use of agency personnel since the previous report. The report shall detail the person's name, job category, work location, hours of work, and dates of assignment.
4. This agreement will apply throughout the "Common Employer" and the Police Department.
5. Adoption of this resolution is contingent on ratification of the VMREU Executive.
6. There will be no retroactive effect of this resolution for external agency personnel who have worked for the City prior to the date of this agreement.

LETTER OF UNDERSTANDING

CONVERSION OF VACATION TO SICK LEAVE

The collective agreements between the Employer and the Union contain a paid sick leave plan and paid vacation entitlements. Prior to the date of this Agreement, there was no contractual entitlement to have vacation time converted to sick leave.

The actual practice with regard to conversions has been mixed, sporadic and ad-hoc, set within an overarching Employer perspective that conversion was not an entitlement.

The Parties have agreed that a structured approach is to be preferred to the current uncertain and potentially inequitable practice. Therefore, they have reached an agreement to allow conversions under certain circumstances. The terms of the Agreement are:

1. Requests for conversion shall be made in writing to the Departmental GM, or designate, and shall include documentation certifying the period of hospitalization.
2. Requests for conversion shall be approved if:
 - a. The employee is hospitalized before, during and after a vacation, without interruption;
 - b. The employee is hospitalized before and during a vacation, without interruption;
 - c. The employee is hospitalized during and after a vacation, without interruption.
3. The Parties have agreed to illustrative examples, attached as Schedule 1.
4. For the purpose of this Agreement, the start and end of a vacation are defined as the first working day and last scheduled working day that are not worked due to the vacation. That is, contiguous weekends or statutory holidays are not part of the vacation.
5. Conversion shall only be approved commensurate with the sick credits held by the employee at the time of the absence.
6. The Employer may investigate an application for vacation conversion as it would a request for sick leave.
7. The Parties have the right to obtain compliance with these provisions through the grievance procedure.
8. Hospitalized shall include being held in quarantine detention, but shall not include time spent in hospital or such like facility due to elective surgery, unless it is time spent in hospital due to unforeseen circumstances arising from such surgery.
9. The Employer shall convert two requests as identified in its letter of August 3, 2012.

10. The Union shall withdraw Grievance 2012-039.

With the exception of clause 9 above, there shall be no retroactive effect to these provisions.

The Employer and Union agree that these terms represent the full and final resolution of all matters addressed in this Letter of Understanding. No new grievances or complaints of any kind shall be filed concerning them, save and accept to enforce the terms of this Agreement.

POLICY GRIEVANCE #07-032 (WorkSafeBC &EDO)

The parties agree to resolve the aforementioned per the following terms and conditions:

1. The City will provide Payroll Operations with instruction to allow an employee off work on an accepted WorkSafeBC status to continue to earn EDO up to and including the first 14 working days of said absence.
2. In the event an employee returns to work after November 1st from an accepted WorkSafeBC leave status of greater than 14 working days, and they do not have enough EDO time earned or other accrued paid leave (excluding sick leave) available to them to schedule in conjunction with the Christmas Closure (the period between Boxing Day and New Years Day), the employee will be permitted to draw from their next years vacation leave entitlement to cover the Christmas Closure period (in whole or part). Where the employee has insufficient EDO, but sufficient accrued leave to schedule in conjunction with the Christmas Closure, the leave will be drawn from the accrued leave bank (excluding the sick leave bank) of the employee's choice.
3. The Union agrees to withdraw their policy grievance (as referenced above), considering this matter fully resolved.
4. The parties agree that this change (as outlined in points numbered 1 and 2 above) will take effect on March 13th, 2009.

- III. The Employer is a City of Reconciliation and it is committed to putting in practice the City's United Nations Declaration on the Rights of Indigenous Peoples Strategy.

 - 4) whether the position is funded by monies/grants that that specify or are conditional upon creating positions for Indigenous peoples.

3. If the Employer applies for a Special Program Designation from the British Columbia Office of the Human Rights Commissioner, the Union agrees to provide its position consistent in the manner required by the application.
4. All postings under the IH Process will be administered pursuant to Clause 11.2(h) regardless of pay grade.
