To all CUPE Health Science Professionals,

At long last, we are excited to be able to share with you the final draft of the [HSPBA 2019-2022 collective agreement](#). The PDF document is searchable, thereby allowing you to locate specific terms by using the Search function in Adobe. New terms of the agreement are underlined.

Previous iterations of the collective agreement and tentative agreement can be found on the Archive page at <https://bcchs.cupe.ca>.

It is the intention of the bargaining association to make printed collective agreements available to our members, with the process and timelines to do so to be determined. We will circulate an additional bulletin once printed copies are available.
