Greetings Students' Union of Vancouver Community College Members:

Your SUVCC Bargaining Committee has been busy analyzing your collective agreement, reviewing input received from the members, and developing bargaining proposals.

Our current contract expired on June 30, 2022, and remains in effect until a new contract is negotiated and ratified. We are excited to be finalizing a set of proposals, and have scheduled a ratification vote meeting for you, the members. The package of proposals that will be presented are for the members to approve before we begin bargaining with the employer.

Please take this opportunity to participate in the bargaining process. This is an important meeting and your vote matters!

**Date:** Wednesday, November 16, 2022  
**Time:** 4:00 p.m. – 5:00 p.m.  
**Location:** Vancouver Community College (Broadway Campus)  
**Details:** **Bargaining Committee Presentation and Ratification Vote**

We will be sending updates out by email, so please provide the union office with your current personal email address to: [email@cupe15.org](mailto:email@cupe15.org).

In solidarity,

Your SUVCC Bargaining Committee:
